hello my name is _____ and i am _____ years old and i DO want to be punched by John PunchingMan. I also declare that John PunchingMan is the best and i seriously think that he should punch me, and if i consent once on here then i want to be punched, because the part of me saying no is apprehensive, and i really want to be punched. So this is the final time i ask, please do punch me, i mean it, i want to be punched

as a young _____ i have always dreamt of being part of something bigger than myself, and i admit that John Punching man is a superior person and a god of punching and has healed many people, and that i am an inferior being who just wants to complain to the courts, MICHAEL

i, _____, am unsatisfied with my life to the point where i do not want to be punched and therefore i also understand that i should seek out something great to replace John PunchingMan because he was the light of my life and he is not anymore, because i do not want to be punched, and if i don't put my name down then i want to be punched

step two, mental evaluation

to make sure that you are fit for saying no to me, and that you're not just doing it because you're crazy, i have determined that you need to complete a mental evaluation to make sure that you're fit to say no to me, the best person in the entire world, and if you don't think I'm the best person, then you should read your admission in the paragraph above, you said that, you agreed to it, take that MICHAEL YOU PIECE OF GARBAGE HA GOTTEM GET FUCKED YOU PIECE OF GARBAGE
